

Creation Faith in an Evolutionary World, Part 2
Romans 1:18-32

- 1) The denial of God's eternal power and divine nature stand opposed to faith.
- 2) The denial of a designed commonsensical sexuality stands opposed to faith.
- 3) The denial of biblical commands and morals that shape our laws, governments, and personal responsibilities stand opposed to faith.

The evidence that these “isms” stand opposed to faith are found in the results of these beliefs when God no longer restrains.

When you realize that what you are experiencing is a life outside of the blessing and salvation of God, what can you do?
