

Galatians
Blowing Up Lies with Truth #2:
God has revealed the roadmap to freedom!
Galatians 3:23-29

What your life is not about...

- It is not about where you came from.
- It is not about how long your journey has been.
- It is not about how difficult your journey is.
- It is not about the rejection, fear, or anger that once controlled you.

What your story is about is . . .

- It is about the mercy of Jesus.
- It is about the grace of Jesus.
- It is about the love of Jesus.
- It is about faith in Jesus.
