

The Easter Story is Bigger than You Think
Colossians 1:15-23

- 1) The history of the world when seen appropriately is actually the story of Jesus—HIS STORY.
- 2) The story of Jesus doesn't have a beginning or an end, but it does have a really important part that you need to know.
- 3) The story of Jesus reminds us that He is the Creator.
- 4) The story of Jesus tells us that every scientific principle used to hold the universe together comes from Him.
- 5) The story of Jesus tells us that the pinnacle of this revelation is when Jesus reconciles all things unto Himself.
- 6) The story of Jesus tells us that He made this peace for us by the blood of His cross.
- 7) The story repeatedly tells us that He did this out of love that He may present you holy and blameless.

What should your response be?
Colossians 1:12-14
