

Giving Living

Before you give:

- First, give yourself to the Lord.
- Second, understand that giving is the will of God.
- Third, appreciate giving as a privilege.
- Fourth, give voluntarily.
- Fifth, give according to your means.

5 ways God is inviting us to join Him by giving:

- 1) Simple Giving—You see a need; you meet the need.
- 2) Systematic Giving
 - It is at least ten percent of your income.
 - It is directed to “My house.”
 - It comes with a blessing and a curse.
- 3) Spontaneous Giving—A moving of the Holy Spirit that demands immediate obedience.
- 4) Stretch Giving—Always stretches your faith...and your finances.
- 5) Sacrificial Giving—In order to give this gift, it requires that you are going to have to go without something.
