

You're Not Thinking Big Enough

Job 38:1-3

The question of the book of Job is...is God just?

1. God is infinitely greater than we can fathom. (v. 4-11)

In this passage we see...

- A. God's greatness.
- B. God's understanding.

2. God is infinitely more personal than you can imagine. (v. 32, 39-41)

In suffering, anger is not the issue—its direction is.
