

The Six Truths That You Must Teach Your Children, Part 6
Tell what Jesus did—others were made for these
blessings too, but they don't know it.

Truth #1: Jesus loves me.

Truth #2: Love Jesus back.

Truth #3: Know what Jesus said.

Truth #4: Do what Jesus says.

Truth #5: Love who Jesus loves.

Truth #6: Tell what Jesus did.

First, tell what Jesus did in your own life.

No one knows more about what God has done for you than you.

You should have two versions of your testimony:

- The 20 minute, uninterrupted over coffee, version.
- The 90 second, before you get to the next floor in the elevator, version.

How to cement this in your children.
