

Life-Changing Generosity  
Step 1: The Secret Ingredient  
Philippians 4:10-12

How can you learn to be content?

- Contentment starts in an authentic relationship with God.
- Contentment is learned in the process of practicing right thinking.
- Contentment grows with the assurance that God is powerful enough to provide you whatever you need.
- Contentment actually becomes yours when you are confident that the Heavenly Father is always loving and never makes a mistake.
- Contentment is sustained by comprehending the fact that life's circumstances are fleeting.
