

Life-Changing Generosity
The Truth about Generosity
Philippians 4:13, 19

So how generous are we?

Can I be more generous than I am?

I am not talking about increasing giving by a percentage or two.

I am talking about extravagantly giving your life away!

I can do all things through Christ who strengthens me!

How can I be extravagantly generous? Because God promises to meet all your needs according to his riches in glory.
