

The Sacred Trust of Grace
The Sacred Trust of Marriage
Ephesians 5:21-33

The world has lost connection to the true meaning of marriage.

The marriage of believers has a spiritual dynamic.

God's intended design for marriage has divine characteristics:

- Submission
- Love and Respect
- Holy Purpose
- Intimacy

Benediction: Your marriage is meant to be a testimony that reflects your relationship with Christ.
Revelation 19:6-9
