

The Six Truths that you must teach your Children, Part 4
Truth #4: Do what Jesus Says – Incredible fulfillment and purpose comes through loving submission.

John 15:9-10; James 1:22-25

Truth #1 - Jesus loves me—even though I am broken and living in a broken world.

Truth #2 - Love Jesus back—this is life’s highest calling and greatest joy.

Truth #3 – Know what Jesus said—I am uniquely designed to be known by God and to know Him.

Truth #4 - Do what Jesus says—incredible fulfillment and purpose come through loving submission.

Do what Jesus says because . . .

- That’s what you were created for.
- That’s what brings you the greatest fulfillment.
- That’s where your purpose will come from.

Four submission principles to remember:

- 1) Submission without love is one of the worst experiences.
- 2) Submission with love isn’t even noticeable as submission.
- 3) Love without submission isn’t really love.
- 4) Loving submission makes the world, which doesn’t want to give up its rights, take notice of something they don’t understand.
