Signs of the Second Coming That You Will See in 2023
Matthew 24:4-14

The Bible explains the end of the end.

- There will be an earthly thousand-year reign of Christ.
- Before that will be the second coming of Christ and the Battle of Armageddon.
- Before that, mystery Babylon will be destroyed.

The Bible even explains the middle of the end.

- The Anti-Christ will break a peace treaty with Israel.
- He will commit his ultimate act of rebellion, which is called the Abomination of Desolation.
- He will put to death millions of those who place their faith in Christ.

The Bible says two things about the end of the middle and/or the beginning of the end.

- No one knows the exact time of the rapture of the church.
- BUT, we can (and should) recognize the evidences that the rapture of the church is very close.

People don't miss the signs because they are hard to see in the Bible.

The reason why so many people are missing the signs is because they are not singular events, but they are like the contractions a woman experiences in giving birth.

These signs have started slowly and imperceptibly but are escalating with frequency and intensity as we draw closer to the rapture.

If you look, you will see these spiritual contractions in these 10 different sign-categories in 2023.

- Sign #1 - False belief systems and fake saviors will become more pervasive, and will be especially aimed at children.
- Sign #2 - There will be a constant and amplified continuation of nations in armed conflict.
- Sign #3 - There will be an increase in earthquakes, food shortages, and pandemics that will no doubt be used by governments for enlarging their control.
- Sign #4 - The discrimination of Christians will move from an informal cultural maltreatment to judicial or policy-driven governmental persecution.
- Sign #5 - This oppression of Christians will eventually grow to disallowing Christians to enter into commerce, and finally it will give way to the murder of believers.
- Sign #6 - Because of this persecution, there will be a falling away from the faith by the culturally religious who were only pretenders.
- Sign #7 This falling away will be accompanied by an intense hatred and betrayal so that they will attack even their own family members.
- Sign #8 Lawlessness, crime, and anarchy will rise with devastating cultural effects.
- Sign #9 Because of lawlessness, "loving your neighbor" and human kindness will all but disappear.
- Sign #10 The Gospel will be proclaimed to the whole world as a witness for and against people.
