

To Live is Christ: Unity in Christ
Philippians 2:1-4

A quick overview of what we have studied the last three weeks:

- Align your desires with God's desires.
- Live a life for God that is recognizable.
- Live a life that is an authentic response to God's love.

You can do all these things and still feel that something is missing.

Complete joy comes from belonging and unity.

- You were not made to travel this path alone.
- It was not intended that we would live disconnected lives.
- It was never God's plan that that we would achieve unity only after we get to heaven.

Consider the prayer of Jesus in John 17.

How is this unity achieved?

- Think like Jesus.
- Let love flow.
- Work at it.
- Choose humility.
- What are the needs?

This may be our greatest testimony.
