

What's the Point?
Ecclesiastes 1:1-11
Matt Lawson

HEVEL: To understand this word is to understand the book.

Futility. Meaningless. Without purpose. No anchor. Smoke. Vapor. Absurd.

It's absurd to think something will eventually satisfy us.

It's absurd to think that we can never be satisfied.

By God's grace, enjoy every moment of life you can.

Meaning cannot be found under the sun. It can only be found in walking presently with God.
