

**How should a Christian respond to what is going on in the
world right now?
March 15th, 2020
Pastor Paul Jones**

- 1) There has always been trouble in the world.
1 Kings 17:1
- 2) The greatest trouble in the world is sin.
1 Kings 18:17-18
- 3) Trouble reveals the heart, whether it is faithful or fearful.
1 Kings 18:21
- 4) Trouble can become the connecting point for sharing your faith.
1 Kings 18:29
- 5) If Satan cannot succeed in your life with one kind of trouble, he will try another, searching for the fearful response that wants.
1 Kings 19:1-4
- 6) What is the key to winning over fear and arriving at a place of faith?
1 Kings 19:11-13
 - Understand that yesterday's miracle is not enough to carry you through today's trouble.
 - Even seeing big outward changes are not enough to meet the inward needs of the heart.
 - You must eventually hear and answer the voice of God.

Conclusion: What are you doing here?
