

The Missing Piece:
The Biggest Mistakes
Ephesians 4:11-16

Sometimes the biggest mistake of your life is the thing that you don't even know that you are missing.

There are five distinct groups of people in the world.

1) Unbelievers

2) Disbelievers

3) Immature Believers

4) Carnal Christians

5) Mature Christ-followers

What is missing from your life? Sometimes, once you find the missing piece it leads to the greatest thing in your life.
