1) The Anointing of the Holy Spirit

2 Corinthians 1:21-22

- Anointing has an Old Testament origin.
- The anointing of God is the empowering of God.
- What God calls you to do, He will anoint you to do.
- The anointing of God is for the glory of God.
- The anointing of God is what gives “staying power.”

2) The Outpouring of the Holy Spirit

Titus 3:3-8

- All the works of the Holy Spirit are individual in nature except for two—the restraining of the Holy Spirit and the outpouring of the Holy Spirit.
- When the people of God, believing the Word of God, come together for the glory of God, they will experience the outpouring of the Holy Spirit of God.
- This is the rarest of all works of the Holy Spirit.
